

HOW TO REACH US BY FOOT BY THE RIOMAGGIORE STATION

PRINT OR STORE BOTH PAGES

Signs are not allowed in the village and the navigation apps do not work properly,
without this guide it is easy to get lost.

From the square of the train station there are several options to reach us considering the baggage you are traveling with.

We suggest a path without stairs but on a slope, so unless you travel with light luggage and equipped with wheels we recommend one of the following alternatives:

- **Luggage transfer:** Ring Roberto. He will pick up your luggage by the square of the train station (pic1) and deliver it directly in your room. Then simply follow our directions at the point "By Foot". We recommend this service as the price correspond with two bus tickets and sometimes it happens the shuttle is too crowded. Price: 5,00€ for 1 luggage. Mobile: +39 329 8966219
- **Taxi:** Ring Marzio or Luciana (Cinque Terre Transfer). They will meet you by the square of the train station (pic1) with a black Mercedes Viano car and will drive to the top gate of the hotel in a few minutes. Price: 15,00€ for two people and 2 luggage Mobile: +39 339 1301183 or +39 340 3565268

If you have decided to continue by foot with or without luggage look in front of you and keep the uphill road on your left. **(PHOTO 1)** do not follow the signs for the center on the right.

Follow the scenic road uphill very suggestive **(PHOTO 2)** until you get to the church of San Giovanni Battista, before the church on the left there is a free lift that you will have to use to get to the upper part of the village **(PHOTO 3)**.

Leaving the lift, turn right and follow the road, you could see the property from here, **(PHOTO 4)** until you reach the tourist information center, continue walking without going down to the village **(PHOTO 5)**.

You are arrived to our upper gate with a blue seagull on our sign. Ring the bell and inform the staff of your arrival. **(PHOTO 6)**.
